

validation_api::errorBuilder

```
graph LR; A[validation_api::errorBuilder] --> B[validation_api::ErrorType ToString];
```

A diagram showing a relationship between two code elements. On the left, a gray rectangular box contains the text 'validation_api::errorBuilder'. A blue arrow points from this box to a white rectangular box on the right. The white box contains the text 'validation_api::ErrorType' on the top line and 'ToString' on the bottom line.

validation_api::ErrorType
ToString
